Name on Card: \_\_\_\_\_ Card #: \_\_\_\_\_ Exp. Date: \_\_\_\_\_

# CROFTON WOODS ELEMENTARY SCHOOL PARENT/TEACHER ASSOCIATION

## **Mission**

The Crofton Woods Elementary School Parent/Teacher Association (CWES PTA) is dedicated to supplying the school's students and faculty with the resources and program opportunities desired to provide an effective, enriched and enjoyable educational experience.

## **Why join the PTA?**

CWES PTA builds a bridge between your home and your child's school. You become a member of the team integrating the efforts of parents with those of the principal and teachers at Crofton Woods. When you join the PTA, you become a voting member at board meetings where your voice and ideas can directly affect the quality of your child's experience. Your year-long membership includes access to the Maryland PTA ([mdpta.org](http://mdpta.org)) and the National PTA ([pta.org](http://pta.org)) which provides valuable resources to you as a parent.

## **What does the CWES PTA do?**

The success of CWES PTA allows us to sponsor social, educational and enriching events that enhance your child's experience at Crofton Woods. The fall Ice Cream Social, spring Spaghetti Dinner, Meet the Young Scientist, Artist in Residence Program and after school clubs are just a few examples of what the CWES PTA sponsors. We sponsor these programs by organizing events such as the Fun Fair, Holiday Shop, Box Tops, and Ledo's Pizza Night. These fundraising events also allow CWES PTA to purchase supplies and equipment for the school such as recess equipment, student directories, technology items and many other items that are voted on by its members.

## **What Can I Do to Help?**

Join the CWES PTA and have a voice in your child's experience at Crofton Woods Elementary School. Volunteering at Crofton Woods does not require membership to the PTA but if you are interested in leading one of our committees or programs, we ask that you be a member.
